BY MARA SUBOTINCIC

Bubba Club chair from \$1,250 depending on fabric choice. Available at Casalife, 416-922-2785 or visit www.casalife.com for more info.

Canadian club

Winnipeg-based manufacturer Pulse Furniture is a hip company that designs chairs and sofas for a discerning clientele. And their Bubba Club chair illustrates their strength at updating classics. The timeless piece harks back to the something your grandfather may have had, but their version has that all-distinctive edge that's missing from other new brands currently on the market.
